

ANNUAL SILENT AUCTION

To support the Foundation's 100% Promise scholarship program, IFMA will hold its Second Annual Silent Auction on Monday, November 8 during Presidents Conference. Last year's kick-off event was an overwhelming success, raising nearly \$20,000.

It was fun, fast-paced and great exposure for companies donating items. This year, we're shooting to double the money raised so we can fund even more scholarships for our leaders of tomorrow.

If you'd like to donate an item for this year's auction, just click the button and you're on your way.
